A NEW YEAR – A NEW STORY.

We'll be transporting you to a place you've only ever dreamed of. Nestled in warm seas and blessed by balmy weather lies Pleasure Island.

Some say it's the beauty of the island that encourages love, laughter and absolute relaxation. But others say there is something in the air that works its magic on all who breathe it.

Decide for yourself as every few months a new tale from Pleasure Island unfolds. Your first magic moment awaits you within the pages of the enclosed journal. Enjoy!
